SYNERGY™
Color Guide

The Synergy™ Paint System has a high performing resin formulation, the strongest SMP system in the industry. It has proved, over time, to bring you:

- Improved chalk resistance
- Improved fade resistance
- Improved gloss retention
- Excellent color durability
- Good resistance to atmospheric staining and dirt residue

Colors marked with a circle **(●)** are Premium Colors.
Colors marked with a square **(■)** are only available in 28-Gauge material.

DISCLAIMER: This color chart is to be used as a guide only. These colors are a close approximation, but due to various factors, they may not be exact. For specific color-matching, samples are available by request.
